This is my first time attending a conference. I came to MUN because I want to meet different people and discuss the situations around the world. This is a good chance for me to get more confidence on stage. I went to Westlake MUN as a volunteer and found out MUN conference is very interesting and fun. I saw delegates are debating and discussing and I want to try, too. I have always been concerned about animals and the changes of environment on Earth. Therefore I chose GA1 and GA2. I'm not really familiar with economy topics but I would like to give a try. I'm excited to learn things I don't know. Therefore I can know more about economy and expand my vocabulary. I hope I can improve my writing skills while we are writing the resolution. I will be more confident on stage because practice makes perfect. I'm looking forward to this conference and I will try my best.
